### Supporting your fundraising journey

Fundraising can be intimidating, but with Resilia your fundraising journey is supported every step of the way.

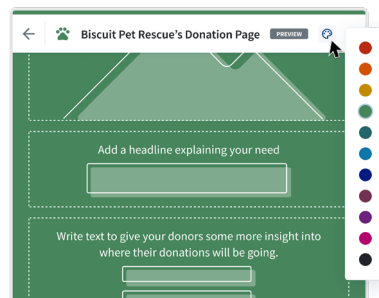

- **Expert fundraising guidance**  
Whether it’s through expert-created courses and articles or live fundraising coaching, Resilia’s team of fundraising experts are here to guide your fundraising journey.
- **Fundraising resources**  
Our library of Academy resources has a wealth of plug-and-play templates that you can immediately put to use
- **Community of fundraising experience**  
Lean on the shared experience of your nonprofit peers for solutions, advice, or kind words of support.

### Compelling donations campaigns

Turn your supporters into donors with customizable donation pages that make your organization and mission shine.

- **Connect donors to your mission**  
Create customizable donation campaigns that give you the flexibility to highlight your mission, focus on specific goals, or drive outcomes you’re going to achieve.
- **Highlight your goal progress**  
Add a progress bar towards your campaign’s goal to show donors their impact, highlight your community’s generosity, and create a sense of urgency.

## Automating your supporting fundraising tasks (so you don't have to!)

You already wear so many hats. Resilia automated tasks associated with successfully managing donations.

- Tracking and reporting progress**  
 Connect your donations campaigns to Resilia Objectives to show each campaign's progress and view it on a chart.
- Transferring funds to your bank account**  
 When every dollar counts, manually transferring funds isn't practical. Resilia Donations transfers funds to your bank account every week, without minimums or hidden fees.
